Book Sponsorship Information

A company, person or family that sponsors a case or more of books for conference attendees as a gift, can get a recognition sticker on the front of the book with their brand logo giving them brand exposure that would last well after the event. <https://mentalhealthawarenesseducation.com/making-conference-sponsors-happy-by-giving-them-the-exposure-they-want/>

Sticker Specs for sponsor logo or memory message

Order round 1.5" stickers from VistaPrint. Cost is about \$74 for 100 stickers. There isn't a lot of room so keep it simple. You order the books and then you order the stickers. A volunteer usually adds that sticker to the book.

If there isn't time to order a sticker or the volunteer labor to put them on, then you can use a tent card in front of the table of books.

Examples of sponsor images are below

The sticker can say.... "This book is a gift from..." "This book courtesy of..." "This book is a gift in memory of..." "This gift in memory of...."
